

Amazing things happen when women come together to support and learn from each other. Life and busy schedules can often make these moments limited, leaving us wishing for more time to connect in meaningful ways...

Introducing “The Women Build” Retreat.

OCTOBER 3-5, 2025

Haliburton, Ontario

VISION

An 80-person, 3-day, camp-based networking and skill-building retreat for women.

GOALS

- Raise \$25,000 for the upcoming Haliburton multi-unit build
- Build and foster a community of women who care about the betterment of the Peterborough and Kawartha region
- Provide a safe space to learn construction skills

The Women Build Retreat is set to unite 80 women who are builders in various fields – whether they create businesses, communities, or innovative ideas. This retreat is crafted for women seeking meaningful connections and collaborations, all while enjoying themselves and receiving excellent care. Connect with like-minded women and support HabitatPKR's upcoming build projects in Haliburton.

Blending networking with fundraising, this weekend focuses on community, connections, and making a difference.

WHAT TO EXPECT

Experience the enchanting beauty of Haliburton as the leaves transform into a stunning array of colors. Your day begins with a nutritious and hearty breakfast, setting the tone for a series of engaging sessions – that you've selected. One of the session options will include the building portion: we'll roll up our sleeves to build a full-blown Bunkie from start to finish. This beautiful, handcrafted structure will be raffled off in the fall, with proceeds supporting Places for People and their mission to create safe, affordable housing across our region.

As the day winds down, immerse yourself in a variety of evening entertainment and relaxation activities, ensuring a perfect end to your day. We take care of it all; you just need to show up. Fresh air, fun times.

LOCATION

Located just one and a half hours from Peterborough, Camp Timberlane's 1100-acre site is situated in the beautiful Haliburton Highlands, near the southern boundary of Canada's famous Algonquin Park. Nestled in incredible nature on its own private lake with comfortable, clean accommodations and various common and programming areas.

ACCOMODATIONS

Attendees will enjoy the rustic charm of the Timberlane cottages, each equipped with private showers and bathrooms. Many cottages offer stunning views directly overlooking the lake.
