

PACKING LIST

We're so excited to have you join us for the first-ever Women Build Retreat, presented by ACM Designs and partnered with the Peterborough Women's Business Network! We've got an amazing weekend full of fun and surprises lined up, and we can't wait to finally meet you in person!

IMPORTANT

Camp Timberlane is a **100% nut/treenut-free zone**, so if you're planning to bring any snacks, please make sure they're nut-free. But honestly, no need to worry about it—your meals and snacks are covered with your ticket, so you can totally leave the snack stash at home. We've got you!

WHAT TO BRING

- **Bedding and pillow** – a sleeping bag or single-bed sized bedding.
- **Comfortable clothing** – (including layers and pyjamas) – Haliburton weather in October can get quite cold at night and then warmer during the day. Layers are best! There are some athletic options available during days (like pickleball, Zumba, and yoga) so if that's something you're interested in, bring appropriate clothing.
- **Toiletries and Towel** – each cabin has at least one shower and one bathroom in it so no trekking out to use the facilities.
- **Shoes** – Comfortable for light-medium activity.
- **Water bottle**
- **Flashlight** – for practical reasons and also in case of an emergency dance party.

OPTIONAL

- **Bathing suit and towel** – optional cold plunge available and their lakeside sauna is available!
- **A book to lend** – Do you have a favorite read that had you thinking, “Everyone needs to read this” the moment you put it down? We'll have a fun little weekend library called *PAGE TURN-HERS* where you can borrow a recommended book and give it a go. No worries—you'll get your books back at the end of the weekend!
- **BYOB** – You're welcomed to bring some of your own drinks just no glass outside of the cabins and bring a cooler if you need it cold as there's no refrigeration options in the cabins.
